

Fall 09 - CEU / Core 13 LMS Registration

Important: All Students must **first** complete and submit the enclosed application forms to register with the Bergen County EMS Training Center.

After registering with the Bergen County EMS Training Center please follow the instructions below that apply to you:

Current EMT Students: Must register online with the NJ State Department of Health LMS at www.njoemscert.com. Effective September 4, 2007, the Office of Emergency Medical Services (OEMS) transferred its certification platform to the new Learning Management System (LMS). OEMS has printed new EMT certification cards from the LMS, which contain a new 6 digit ID. These cards were mailed out in September 2007. The new cards contain your login information. Please do not call OEMS regarding your logon name and password. Included with every new card is a letter from OEMS with a toll free 24/7 technical support line. This number should be used for both technical and general issues.

Expired EMT and Re-entry Students registering for the EMT-B Recert Core 13 program: Must register online with the NJ State Department of Health LMS at www.njoemscert.com. It is imperative that students, who previously held a New Jersey EMT certification, **do not create a new user account**. New user accounts are only for those individuals who never had a New Jersey EMT certification. Users can verify their certification status on the LMS at www.njoemscert.com.

Doctors, Nurses and Reciprocity Students who were never certified in NJ registering for the EMT-B Recert Core 13 program: Must register online with the NJ State Department of Health LMS at www.njoemscert.com. Click on "I Need to Create an Account". Create your account. Click Submit. Follow the prompt to create your password. Click Log On. Choose Communications and then ILT Calendar. Select Location "Bergen County EMS Training Center" and select the start date of the EMT-B Recert Core 13 course you wish to attend. Click Summary View, and Preview my Schedule. Scroll to the bottom right and click register.
